Revenue Agents Quick on Trigger; "Get Their Man"

BRISTOL, Tenn.-Va., July 27.—Charlie Smith was wounded fatally Sunday by revenue officers who were raiding a distillery at Imboden, a mining camp of southwest Virginia. It is reported here.

Smith is said to have met the officers at the door of the plant, and at the point of a pistol ordered them to leave.

The revenue men were quick on the trigger. It was said, and Smith fell mortally wounded.

One Woman Injured When Six Cars Are Derailed on Penns R. R.

PHILADELPHIA, July 27.—The western express, bound for Pittsburgh and the west, on the Pennsylvania railroad, and carrying about 250 passengers, was wrecked last night at Bird-in-Hand, seven miles east of Lancaster, Pa. The six rear cars, four sleepers and two day coaches, were derailed, but only one person, a woman passenger, was hurt.

Traffic was delayed several hours by the accident, which, railroad officials said, apparently was caused by a broken rail.

VANDERBILT RITES ARE HELD IN PARIS

Beautiful Floral Tributes at
Funeral of Wealthy
American.

PARIS, July 26 (by the Associated Press).—Funeral services for the late William Kissam Vanderbilt, who died here on Thursday last, were held this morning in the American church of the Holy Trinity. The simple Episcopal service was read by the Rev. Stanley Blunt, pastor of the church, attended by the members of the British embassy.

The floral tributes were magnificent, including pieces from the Aero Club of America, the Lafayette Flying Corps and many French racing societies. The hymns were "Lead, Kindly Light" and "Abide With Me," and the anthem was "The Soul of the Righteous." Chopin's funeral march ended the services.

After the services, which were attended by all the employees of the Vanderbilt racing stables, as well as the American and British ambassadors and French and American notables, particularly representatives of the French racing societies, the body was carried to the mortuary chapel beneath the church. The body will remain in the chapel until it is sent to the United States.

In the first pew were the widow, William K. Vanderbilt, Jr., and Harold Vanderbilt, the Duchess of Marlborough and Mrs. Hatch. In the second pew were Mrs. W. K. Vanderbilt, Jr., Misses Muriel and Consuelo Vanderbilt, Lord Blandford and Lord Ivor Churchill. In the third pew were Mrs. George Vanderbilt, Mr. and Mrs. Jay Burden and Mr. and Mrs. Cornelius Vanderbilt. In the fourth pew were Mr. and Mrs. Olin and Mrs. Havemeyer. In the first pew to the right were Hugh O. Wallace, the American ambassador to France; Count D'Harcourt, Mrs. Du Bois, Marquis de Ganay, Prince Murat and Count Samperi.

The ushers were Count Samperi and John Ridgely Carter, former American minister to Argentina.

Freeman was arrested at Norton, Va., as he was purchasing a railroad ticket.

FIRE CHIEFS AT ODDS OVER THEIR CHAPLAIN

Kenlon Quits When Association Declines to Have Catholic Priest Open Convention.

TORONTO, Ontario, July 27 (by the Associated Press).—Chief John Kenlon of the New York fire department resigned as president of the International Association of Fire Engineers at the annual convention here yesterday, as a result of a difference of opinion between him and Chief Russell of the Toronto fire department over the question of the selection of a chaplain to deliver the opening prayer.

Chief Kenlon, as president of the association, had invited Archbishop McNeil of the Roman Catholic diocese of Toronto to officiate, but Chief Russell, as head of the local reception committee, had asked Rev. H. J. Cody of the Anglican Church of this city.

Shortly after Chief Kenlon's arrival here Sunday the question of a chaplain was taken up by the executive committee, which decided in favor of Chief Russell's choice. Chief Kenlon tendered his resignation at the afternoon session today, but it was not accepted until he had abandoned the gathering and a standing vote had been taken. The vote was 131 for acceptance of the resignation and 108 against.

Chief Kenlon stated the difference between him and Chief Russell started before his arrival here and after he had notified the Toronto chief by letter of the invitation extended by Archbishop McNeil.

"There was nothing left for me to do but to stand by the invitation I had issued," said Chief Kenlon. "When I found myself unsupported by the executives of the association I tendered my resignation and quietly withdrew." The question, he declared, was "solely and absolutely an Irish question."

"I am an American citizen," he added, "and while I sympathize with Ireland in her struggle for a better form of government I have no desire, while on British soil, to inject that question into the affairs of the association."

The association, after accepting Chief Kenlon's resignation, extended him a vote of thanks for his services as president.

ALARMED BY JAPANESE.

Seattle Residents Note Their Rapid Business Advance.

SEATTLE, Wash., July 27.—Pacific northwest residents are becoming exercised over increasing prominence of Japanese in business. Gov. L. R. Hart yesterday told the House immigration and naturalization committee, which is here investigating the Japanese immigration situation. The governor said there were prospects of serious friction unless an amicable adjustment could be made.

"Our people are not satisfied with present conditions," Gov. Hart declared. Judge Thomas Burke, pioneer Seattle business man, who has been decorated by the Japanese emperor declared he thought immigration legislation should be approached in a spirit of friendship, rather than antagonism toward Japan. He praised the Japanese for their industry and thrift, but said a limit should be placed on the number admitted to this country.

2 VOTES AHEAD IN CHILE.

Presidential Nominee Being Very Closely Pressed.

SANTIAGO, Chile, July 26.—Arturo Alessandri, nominee of the Liberal Alliance for the presidency of the republic, received a majority of two votes over Luis Barros Borgoño, liberal unionist, in the balloting of the electors Sunday.

The final stage in the elections will be reached August 30, when a joint session of congress will study the result and proclaim the successful candidate.

The long-drawn-out procedure was embodied in the constitution to meet the old conditions of communication. The newspapers have been urging a change in the present system on the ground that it keeps the country in a state of political unrest for a long period.
